

Skative A4 Printable Deck Template 32" x 8¼" - Nose

Skative A4 Printable Deck Template 32" x 8¹/₄"

Assembly:

1. Place this middle sheet on the table with this side up
2. Align the "nose" print side down so the edge touches the red line
3. Tape together, but don't rap tape around edge
4. Repeat 2. & 3. with "tail"
5. Don't use tape on design side

Design Considerations:

- Sketch concept lightly in a soft pencil
- Draw lines to be engraved with a 0.5mm black fineliner pen
- Keep at least 1mm gap between lines where possible
- Don't join to many lines at the same point
- Don't fill areas with pen
- Allow for 10mm bleed around edge
- Separate sheets, scan individually in colour, and email
